FUNERALS ARE A WAY OF LIFE, FOR MANY HERE. AS MANY AS 1000 SOUTH AFRICANS DYING EACH DAY FROM HIV/AIDS... SO BURYING THE DEAD IS A SADLY FAMILIAR EXPERIENCE... AND SO TOO ARE CONSTANT CRIES FOR THE GOVERNMENT TO DO MORE FOR THOSE SUFFERING FROM HIV/AIDS. AIDS ACTIVISTS - SEEN HERE DEMONSTRATING IN A CAPE TOWN CATHEDRAL - ARE ANGRY THAT THE POPULAR DEPUTY HEALTH MINISTER NOZIZWE MADLA ROUTLEDGE WAS FIRED BY PRESIDENT THABO MBEKI LAST MONTH. SHE WAS WIDELY CREDITED WITH REVITALIZING THE COUNTRY'S HIV/AIDS CAMPAIGN. MBEKI FIRED HER - SAYING SHE FAILED TO WORK AS PART OF A TEAM AND THAT SHE HAD TAKEN AN UNAUTHORIZED BUSINESS TRIP TO SPAIN. THIS, AS HE CONTINUES TO BACK THE CONTROVERSIAL HEALTH MINISTER MANTO TSHABALALA MSIMANG - FUELING A POPULAR PERCEPTION THAT THE PRESIDENT AND HIS GOVERNMENT ARE FAILING THOSE WHO ARE ILL. WHAT WE

UNFORTUNATELY DO NOT HAVE IS A SENSE OF URGENCY AND MAJOR CONCERN EMERGING FROM THE LEADERSHIP, ESPECIALLY THE POLITICAL LEADERSHIP. ACADEMIC XOLELA MANGCU BELIEVES THE PRESIDENT'S SUPPORT FOR THE HEALTH MINISTER IS MISPLACED. SOT: XOLELA MANGCU: SO THIS IS REALLY ABOUT LOYALTY HE HAS TO THIS PERSON, IT HAS NOTHING TO DO WITH WHAT IS ACTUALLY HAPPENING IN THE HEALTH SECTOR FRANKLY. IT IS REALLY ABOUT POLITICAL SOLIDARITY AND POLITICAL LOYALTY THAN RESPONDING TO THE CONCERNS OF THE PEOPLE. THE PRESIDENT'S OWN VIEWS - WHICH QUESTIONED THE LINK BETWEEN HIV AND AIDS - HAVE BEEN CONDEMNED BY MANY IN THE MEDICAL COMMUNITY. HIS SKEPTICISM IS REPORTEDLY SHARED BY THE HEALTH MINISTER. SHE HAS OPENLY CRITICIZED THE USE OF LIFE SAVING ANTI-RETORVIAL DRUGS AND HER CHAMPIONING THE USE OF VEGETABLES TO TREAT HIV, WHICH AFFECTS 5.5 MILLION SOUTH AFRICANS, EARNED HER THE NICKNAME 'DR BEETROOT' SOT: XOLELA MANGCU: SHE'S A JOKE. I MEAN AND AN EMBARRASSMENT TO SOUTH AFRICA. WHAT HAPPENED FOR EXAMPLE IN CANADA AT THE HIV/AIDS CONFERENCE WHEN SHE WAS TALKING ABOUT BEETROOT, GARLIC AND LEMON AS A TREATMENT FOR HIV/AIDS. SOUTH AFRICA WAS THE LAUGHING STOCK OF THE WORLD. DESPITE THE CONSTANT CONTROVERSY SURROUNDING HER... THE HEALTH MINISTER'S SPOKESPERSON SAYS TSHABALALA MSIMANG IS FIT FOR THE JOB. WE HAVE MADE PROGRESS ON VARIOUS FRONTS. BOTH IN AREA OF HIV, TB, MALARIA AND VARIOUS OTHER AREAS. I THINK THE PROGRAMS ARE GOING WELL. AND I THINK IT'S DUE TO HER LEADERSHIP. A LEADERSHIP THAT CONTINUES TO BE MEASURED BY THE NUMBER OF DEAD. AND, MORE WORRYING FOR THE FUTURE, ANOTHER ONE THOUSAND ARE INFECTED WITH HIV DAILY

WHEEZING, SHORTNESS OF BREATH, COUGHING, AND CHEST TIGHTNESS- THAT'S WHAT MILLIONS OF ASTHMA PATIENTS EXPERIENCE DURING AN ATTACK. ASTHMA IS ONE OF THE MOST COMMON HEALTH PROBLEMS IN THE WORLD, AFFECTING MORE THAN TWENTY MILLION PEOPLE IN THE U.S. NEW GUIDELINES FROM U.S. HEALTH EXPERTS AIM TO HELP ASTHMATICS BETTER MANAGE THEIR ILLNESS. THE GUIDELINES CARVE OUT A NEW AGE GROUP - KIDS AGED FIVE TO ELEVEN. THE REASON: THIS GROUP COULD RESPOND DIFFERENTLY TO MEDICATIONS THAN ADULTS DO. PATIENTS ARE URGED TO: ...ALWAYS TAKE THEIR MEDICATIONS, EVEN IN THE ABSENCE OF SYMPTOMS, ...BE AWARE OF ASTHMA TRIGGERS, ...AND HAVE A PLAN FOR WHAT TO DO IN THE EVENT OF AN ATTACK. YOU SHOULD BE CLOSELY MONITORED BY YOUR DOCTOR, BECAUSE SYMPTOMS CAN CHANGE OVER TIME. FEELING DEPRESSED? YOUR BAD MOOD MAY HAVE SOMETHING TO DO WITH MOLD GROWING IN YOUR HOME. IN THE LARGEST STUDY OF ITS KIND, BROWN UNIVERSITY RESEARCHERS FOUND THAT PEOPLE WITH WHO HAD MOLD IN THEIR HOMES WERE ON AVERAGE 40% MORE LIKELY TO REPORT BEING DEPRESSED THAN PEOPLE WHO DID NOT HAVE MOLD. WHILE THE STUDY DOESN'T PROVE THAT MOLD CAUSES DEPRESSION, IT DOES ILLUSTRATE THAT A HEALTHY HOME CAN INFLUENCE BOTH PHYSICAL AND MENTAL HEALTH.

"THERE'S ADVANTAGES TO THE SYSTEM IN THAT THE AVERAGE RESIDENT IS GOING TO BE BETTER RESTED BECAUSE THEY'RE WORKING FEWER HOURS. ON THE OTHER HAND, THERE MAY BE SOME RISKS IN TERMS OF MORE TRANSITIONS OF CARE REQUIRED BECAUSE EACH RESIDENT IS IN THE HOSPITAL FOR FEWER HOURS." PEOPLE HAVE A VARIETY OF SYMPTOMS FROM THAT INCLUDING FLUID BUILD-UP, DIFFICULTY BREATHING, SWELLING IN THEIR FEET AND BELLY. MEDICATIONS LIKE ACE INHIBITORS AND BETA BLOCKERS ARE EFFECTIVE IN TREATING CONGESTIVE HEART FAILURE, BUT THEY'RE NO CURE. BETA BLOCKERS ARE ONE OF THE MOST IMPORTANT ONES AND THEY BLOCK ADRENALINE, WHICH CAUSES A LOT OF INJURY TO THE HEART OVER TIME. ---ANIMATION ON SCREEN-BOOK ESTIMATES MORE THAN TWO-THIRDS OF THE CASES ARE CAUSED BY CORONARY ARTERY DISEASE...A CONDITION GREATLY IMPROVED BY MAKING HEALTHY LIFESTYLE CHOICES. SIX YEARS AFTER HER SON RYAN'S DEATH, FRANCINE HAIGHT'S PAIN IS STILL FRESH. THE 17-YEAR OLD OVERDOSED ON VICODIN AND MORPHINE, PRESCRIPTION DRUGS HE BOUGHT OVER THE INTERNET - WITHOUT A PRESCRIPTION. AN INCREASING NUMBER OF TEENAGERS ARE ABUSING PRESCRIPTION DRUGS, ACCORDING TO THE NEW FEDERAL GOVERNMENT NATIONAL SURVEY ON DRUG USE AND HEALTH. THE SURVEY FINDS THAT WHILE OVERALL TEEN DRUG USE IS SLIGHTLY DOWN, NON-MEDICAL USE OF PRESCRIPTION DRUGS, PARTICULARLY PAIN KILLERS, HAS GONE UP. -FULL-SCREEN GRAPHIC- 5.4 PER CENT OF 12-17 YEARS OLDS USED PRESCRIPTION DRUGS IN 2002, THAT JUMPED TO 6.4 PER CENT IN 2006. PART OF THE PROBLEM IS THAT PHARMACEUTICALS ARE SO EASY TO GET. YOU WOULD NOT KEEP HEROINE AND CRACK IN YOUR MEDICINE CABINET AND EXPECT IT NOT TO BE A DANGEROUS HAZARD. ANALYSTS SAY MANY TEENAGERS BELIEVE PRESCRIPTION DRUGS ARE SAFER THAN STREET DRUGS. BUT OFTEN USE OF ONE LEADS TO ABUSE OF THE OTHER. SOT: SUSAN FOSTER THE NATIONAL CENTER ON ADDICTION AND SUBSTANCE ABUSE (CASA) AT COLUMBIA UNIVERSITY YOUNGER KIDS, THE 12, 13, 14 YEAR OLDS WERE MORE LIKELY TO BE ABUSING PRESCRIPTION DRUGS THAN OTHER DRUGS BUT ONCE THEY START ABUSING THOSE DRUGS, THERE'S A HIGHER CHANCE THAT THEY'LL GO ON TO ABUSE OTHER DRUGS. YUNJI DE NIES ON CAMERA: THE STUDY FINDS THAT PARENTS PLAY A BIG ROLE IN KEEPING TEENS DRUG-FREE. TEENS WHOSE PARENTS WERE ACTIVELY INVOLVED -- EVEN JUST HELPING WITH HOMEWORK REPORTED LESS DRUG, CIGARETTE, AND ALCOHOL USE.

BECOMING A DOCTOR IS A TOUGH BUSINESS, SO WHY IS IT OVER THE LAST FIVE YEARS, 80 PERCENT OF FILIPINO DOCTORS HAVE RETRAINED AS NURSES? THE ANSWER: JOBS IN THE U-S. SOT/MARIA-THERESA DAVID, ANESTHESIOLOGIST THERE MAY BE GREENER PASTURES THERE, THERE MAY BE BETTER PAY - WHY NOT, LET'S TRY. MARIA-THERESA DAVID IS AN ANESTHESIOLOGIST..JOSEFINA SALCEDO, A PEDIATRICIAN...BOTH HAVE RETRAINED AS NURSES..RECENTLY FIVE OF THEIR SENIOR COLLEAGUES LEFT.. TO NURSE IN AMERICA. THE PROBLEM IS, THESE ARE THE HEADS OF MY DEPARTMENTS THAT ARE GOING AWAY.. AND THAT IS VERY DIFFICULT TO DEAL WITH AND TO REPLACE. STAND UP/RIMINTON FOR THE TIME BEING, THESE PATIENTS ARE THE LUCKY ONES. OVER THE LAST FIVE YEARS, MUCH OF THE PHILIPPINES HAS SIMPLY BEEN STRIPPED OF ITS DOCTORS. ONE THIRD OF ALL THE MUNICIPALITIES IN

THE PHILIPPINES NOW SIMPLY HAVE NO PUBLIC HOSPITAL DOCTORS AT ALL. IT'S THE SIMPLE ARITHMETIC OF A GLOBALIZED ECONOMY. A NURSE IN THE U-S MAKES EIGHT TIMES AS MUCH AS A SENIOR PUBLIC HOSPITAL MEDICAL SPECIALIST HERE. NOW, NEARLY FIVE TIMES AS MANY FILIPINO DOCTORS ARE LEAVING TO NURSE, AS THERE ARE GRADUATES TO REPLACE THEM. CAN THE PHILIPPINES AFFORD TO LOSE SO MANY DOCTORS? WELL, ESSENTIALLY, NO. DR RODEL NODORA IS THE GOVERNMENT POINT-MAN IN STEMMING THE FLOW - BUT HE ADMITS THE PLAN CHIEFLY INVOLVES OFFERING SCHOLARSHIPS FOR TRAINING, TIED TO TEN YEARS SERVICE AFTERWARDS. ALREADY, HE SAYS SOME HOSPITALS ARE RUNNING FOR A YEAR AT A TIME, WITHOUT EVER SEEING A DOCTOR. NO DOCTORS ARE GOING ON DUTY, IMAGINE THAT. I MEAN, THIS IS A HOSPITAL SETUP AND THERE ARE NO DOCTORS, ONLY NURSES. BUT A FEW BUCK THE TREND...DR DAVID CAME BACK FROM THE US AFTER JUST FIVE MONTHS OF NURSING.. SOT/DR DAVID: BEING A NURSE IS A GOOD JOB. BEING A NURSE IS A NOBLE JOB - BUT IN MY CASE, I PREFER TO BE A DOCTOR. I LOVE BEING AN ANESTHESIOLOGIST. PEDIATRICIAN JOSEFINA SALCEDO ADMITS THE ONLY THING THAT STOPPED HER GOING WAS HER SON'S REFUSAL TO LEAVE HIS FRIENDS. SO SHE'S CHANGED HER APPROACH, CUTTING HER EARNINGS STILL FURTHER TO ATTEND TO MORE OF THE DESPERATELY POOR PATIENTS FROM MANILA'S SHANTY TOWNS.. AND SAYS SHE'S HAPPIER. ASIDE FROM EARNING, I ALSO GIVE SOMETHING BACK TO THESE PEOPLE, TO MY COUNTRY, TO HELP THESE NEEDY. THE PHILIPPINES WILL HAVE TO FIND MANY MORE LIKE HER...TO PREVENT A GENERATION GROWING UP HERE WITHOUT A DOCTOR IN SIGHT.

IN A NEW STUDY, DOCTORS EXAMINED SERIOUS SIDE EFFECTS FROM PRESCRIPTION MEDICATIONS REPORTED TO THE UNITED STATES FOOD AND DRUG ADMINISTRATION. THEY FOUND THE NUMBER OF CASES HAS INCREASED DRAMATICALLY IN RECENT YEARS - RISING FROM NEARLY 35,000 IN 1998 TO ALMOST 90,000 IN 2005. OVER 15,000 DIFFERENT DRUGS WERE INVOLVED, BUT DEATH WAS MOST CLOSELY LINKED TO PAIN MEDICATIONS SUCH AS OXYCODONE AND IMMUNE SYSTEM DRUGS SUCH AS REMICADE. RESEARCHERS SAY SEVERAL FACTORS COULD BE CONTRIBUTING TO THE INCREASE. ONE POSSIBILITY IS THAT DOCTORS ARE MORE AWARE OF SIDE EFFECTS NOW AND REPORT THEM MORE OFTEN. IN ADDITION, AS THE POPULATION AGES, MORE PEOPLE NEED PRESCRIPTION MEDICATIONS, WHICH LEAVES THEM AT RISK FOR SIDE EFFECTS. PEOPLE ARE ALSO USING MULTIPLE DRUGS AT A TIME - RESEARCHERS FOUND ONE QUARTER OF THE PATIENTS HARMED BY DRUGS WERE TAKING FIVE MEDICATIONS OR MORE . BUT EXPERTS CONCLUDE THAT THE DRAMATIC RISE IN SIDE

EFFECTS MEANS THAT THE EXISTING SYSTEM IS NOT ADEQUATELY PROTECTING PATIENTS AND UNDERSCORES THE NEED FOR FAR-REACHING POLICY CHANGES.

LUNG CANCER KILLS MORE AMERICANS EACH YEAR THAN BREAST, PROSTATE, AND COLON CANCERS COMBINED. SUCCESSFUL TREATMENT OF LUNG CANCER IMPROVES DRAMATICALLY IF IT'S CAUGHT EARLY -- INCREASING TO NEARLY 50 PERCENT FROM 2 PERCENT WHEN THE CANCER IS ADVANCED. BUT FEW PATIENTS ARE DIAGNOSED IN THE EARLY STAGES. SOME STUDIES HAVE SUGGESTED THAT ANNUAL SCREENING WITH CHEST CT SCANS COULD CATCH LUNG CANCERS WHEN THEY ARE SMALL AND MORE TREATABLE. HOWEVER, EXPERTS AT THE AMERICAN COLLEGE OF CHEST PHYSICIANS HAVE REVIEWED ALL OF THE STUDIES ON THE SUBJECT AND THEY RECOMMEND AGAINST CT SCANS FOR LUNG CANCER SCREENING. RESEARCH SHOWS THAT SCREENING WITH CT SCANS DETECTS MORE LUNG CANCERS BUT DOES NOT MAKE A DIFFERENCE IN THE DEATH RATE. IT ALSO GENERATES MANY FALSE POSITIVES, WHERE PATIENTS UNDERGO PAINFUL FOLLOW-UP TESTS ONLY TO DISCOVER THEY DON'T HAVE CANCER. ADDITIONALLY, THE GROUP RECOMMENDS AGAINST TAKING VITAMINS TO REDUCE LUNG CANCER RISK, SAYING RESEARCH DOESN'T SUPPORT IT. BUT THEY DO SUGGEST PATIENTS WITH LUNG CANCER TRY ALTERNATIVE THERAPIES SUCH AS MASSAGE AND ACUPUNCTURE FOR PAIN RELIEF.

MOTORCYCLE CRASHES CAN HAPPEN IN AN INSTANT. LIKE THIS ONE CAUGHT ON SURVEILLANCE VIDEO. OR THIS CRASH....WITH TWO RIDERS...ONE WAS LUCKY ENOUGH TO GET UP AND WALK AWAY. THE OTHER WAS SERIOUSLY HURT. THE NUMBER OF DEATHS IN MOTORCYCLE CRASHES HAS MORE THAN DOUBLED IN THE LAST TEN YEARS. "PER MILES DRIVEN, RIDING ON A MOTORCYCLE MEANS YOU'RE ABOUT 35 TIMES MORE LIKELY TO DIE IN A CRASH THAN RIDING IN A PASSENGER VEHICLE..." ONE REASON WHY: QUICK NAT SUPERSPORTS MORE PEOPLE ARE BUYING

LIGHTER-WEIGHT, HIGH SPEED "SUPERSPORT" BIKES THAT CAN GO OVER 150 MILES PER HOUR. SUPERSPORTS MAKE UP ONLY 10 PERCENT OF MOTORCYCLES ON THE ROAD.... BUT THEY ARE INVOLVED IN A QUARTER OF MOTORCYCLE DEATHS. THE INSTITUTE SAYS COMPANIES LIKE HONDA PLAY UP A RACY IMAGE AND ENCOURAGE SPEEDING. IT'S FINE TO PUSH TOP SPEEDS WHEN YOU'RE A PROFESSIONAL DRIVER ON A RACETRACK, BUT NOT WHEN YOU'RE SHARING THE ROAD WITH OTHER PEOPLE. THE MOTORCYCLE SAFETY FOUNDATION WHO SPOKE ON BEHALF OF HONDA, TOLD CNN: "...WE ENCOURAGE AND EXPECT ALL MOTORCYCLISTS TO RIDE WITHIN THEIR LIMITS, USE COMMON SENSE, RESPECT OTHER ROADWAY USERS, AND TO FOLLOW ALL TRAFFIC AND SAFETY LAWS." ANOTHER REASON THE INSTITUTE SAYS INJURIES AND DEATHS ARE ON THE RISE- ONLY 20 STATES HAVE LAWS REQUIRING ALL RIDERS TO WEAR HELMETS -- EVEN THOUGH HELMETS PROTECT AGAINST TRAUMATIC INJURIES. "WHAT WE OPPOSE IS WHEN THE GOVERNMENT STEPS IN AND DECIDES THAT AS ADULT RIDERS WE'RE NOT CAPABLE OF MAKING OUR OWN CHOICE." TRANSPORTATION SECRETARY MARY PETERS, AN AVID HARLEY RIDER, SUPPORTS MANDATORY HELMET LAWS... TWO YEARS AGO, SHE SURVIVED A CRASH. IF I HADN'T HAD THIS HELMET ON, I'M CONVINCED I WOULD BE A HEAD INJURY PATIENT. TO PETERS, DECIDING WHETHER TO WEAR A HELMET SHOULD NOT JUST BE UP TO THE RIDER. GH: IS THIS A TAXPAYERS BURDEN? MP: IT VERY OFTEN IS BECAUSE BRAIN INJURIES PATIENTS OFTEN HAVE TO BE TAKEN CARE OF BY THE TAXPAYERS FOR THE REST OF THEIR LIVES. (NO INSURANCE?) NO INSURANCE. THAT'S AN ARGUMENT THAT OPPONENTS OF MANDATORY HELMET LAWS REJECT... WHY SHOULD TAXPAYERS PAY FOR THEIR HEALTH CARE, WHEN THEY COULD HAVE JUST WORN A HELMET? WHY SHOULD I PAY FOR CHILDHOOD OBESITY AND PEOPLE'S HEART GETTING CLOGGED WITH CHOLESTEROL. I'M HEALTHY! WHY SHOULD I PAY FOR THAT? IT'S THE SAME ISSUE.

IN PATIENTS WITH KIDNEY DISEASE, IT'S NOT JUST THE KIDNEY THAT'S IN TROUBLE. IT'S THE HEART, TOO. "PATIENTS WITH ADVANCED CHRONIC KIDNEY DISEASE HAVE A TERRIBLE BURDEN OF DISEASE OF THEIR BLOOD VESSELS THAT CAUSE A LOT OF HEART ATTACKS, STROKES AND HARDENING OF THEIR BLOOD VESSELS." DR. REX JAMISON OF STANFORD UNIVERSITY WAS A RESEARCHER IN A LARGE STUDY FUNDED BY THE DEPARTMENT OF VETERANS AFFAIRS. THE STUDY LOOKED AT THE EFFECTS OF FOLIC ACID AND B VITAMINS IN PATIENTS WITH CHRONIC KIDNEY DISEASE AND END-STAGE RENAL DISEASE, BECAUSE THOSE VITAMINS HAVE SHOWN TO LOWER A CHEMICAL IN THE BLOOD CALLED HOMOCYSTEINE (HO-MO-SIS-TEEN). "THE HIGHER THE HOMOCYSTEINE LEVEL, THE MORE FREQUENT HEART ATTACKS, STROKES AND DISEASE OF THE BLOOD VESSELS IN GENERAL." IN THE THREE YEAR-STUDY OF MORE THAN TWO-THOUSAND VETERANS WITH SERIOUS KIDNEY DISEASE AND HIGH HOMOCYSTEINE LEVELS, HALF GOT DAILY TREATMENT WITH FOLIC ACID AND B VITAMIN PILLS, AND HALF GOT PLACEBO OR SUGAR PILLS. THE FINDINGS APPEAR IN JAMA, JOURNAL OF THE AMERICAN MEDICAL ASSOCIATION. REX JAMISON, M.D. VETERANS AFFAIRS RESEARCHER/ STANFORD UNIVERSITY "WE DID NOT REDUCE THE NUMBER OF DEATHS IN THE TREATMENT GROUP. WE DID LOWER THEIR HOMOCYSTEINE LEVELS SIGNIFICANTLY, BUT DESPITE THIS, THERE WAS NO BENEFIT." A DISAPPOINTING FINDING, ESPECIALLY GIVEN THE TWENTY-PERCENT DEATH RATE FOR PEOPLE WITH ADVANCED KIDNEY DISEASE. BUT DR. GLEN CHERTOW, A KIDNEY EXPERT AT UNIVERSITY OF CALIFORNIA SAN FRANCISCO WHO WAS NOT ASSOCIATED WITH THE STUDY, SAYS ITS FINDINGS ARE VALUABLE, BECAUSE NOW DOCTORS KNOW THAT FOLIC ACID AND B VITAMINS ARE NOT THE ANSWER. "IT ALLOWS US TO

CONCENTRATE OUR EFFORTS ELSEWHERE, SO WE CAN FOCUS ON OTHER ASPECTS OF CARE OR OTHER THERAPIES THAT MIGHT IMPROVE THE CARE OF PATIENTS WITH CHRONIC KIDNEY DISEASE."

PATIENTS WITH HEART DISEASE TYPICALLY TAKE SEVERAL MEDICATIONS PER DAY, OFTEN INCLUDING A BLOOD PRESSURE DRUG, A STATIN TO REDUCE CHOLESTEROL, AND AN ASPIRIN. EACH OF THESE TREATMENTS IS PROVEN TO IMPROVE HEART HEALTH - BUT THEY ONLY WORK IF PEOPLE TAKE THEM. IN A NEW SURVEY OF MORE THAN 1000 PEOPLE WITH HEART DISEASE, 1 IN 12 PATIENTS ADMITTED THEY SKIP THEIR MEDICATIONS AT LEAST 25 PERCENT OF THE TIME. DOCTORS FOUND THAT PATIENTS WHO FREQUENTLY MISSED DOSES WERE MORE THAN TWICE AS LIKELY TO SUFFER A HEART ATTACK, STROKE, OR DEATH. RESEARCHERS SAY THAT THE DAMAGE FROM NOT TAKING THEIR MEDICATIONS WERE SIMILAR TO THE RESULTS FROM DIABETES OR SMOKING. THE AUTHORS BELIEVE PEOPLE WANT TO FOLLOW PHYSICIANS' INSTRUCTIONS REGARDING DRUGS, BUT THEY ARE OFTEN CONFUSED ABOUT HOW MUCH TO TAKE AND WHEN. PATIENTS SHOULD ASK THEIR DOCTOR WHEN THEY ARE UNCLEAR ABOUT MEDICATIONS-- AND THEN BE SURE TO TAKE THE DRUGS EXACTLY AS ORDERED. FORGETTING A SINGLE DOSE NOW AND AGAIN WON'T HURT, BUT FREQUENT MISSES CAN ADD UP TO BIG HEALTH PROBLEMS.

I STILL HAVE THE SCARS TO SHOW FROM THAT EXERSIZE." IT WAS THE ISSUE THAT ESTABLISHED HILLARY CLINTON AS A POLITICAL FIGURE IN HER OWN RIGHT. VINTAGE BILL CLINTON "I'M DELIGHTED HILLARY HAS AGREED TO CHAIR THIS TASK FORCE..." FIVE DAYS INTO HER HUSBAND'S FIRST TERM, SHE TOOK RESPONSIBILITY FOR THE MARQUEE ISSUE FROM THE 92 CAMPAIGN. TODAY THE ISSUE IS THE SAME, BUT THE LANGUAGE MORE CONCILIATORY. HILLARY CLINTON (D) - PRESIDENTIAL CANDIDATE "PART OF OUR HEALTH CARE SYSTEM IS THE BEST IN THE WORLD AND WE SHOULD BUILD ON IT. PART OF IT IS BROKEN AND WE SHOULD FIX IT." LIKE THE OLD PLAN, THE NEW ONE REQUIRES BUSINESSES TO OFFER HEALTH INSURANCE TO EMPLOYEES... OR PAY INTO A GOVERNMENT FUND. PAY OR PLAY. UNDER THE OLD PLAN, CONSUMERS HAD TO SIGN UP FOR NEW, GOVERNMENT-MANAGED HEALTH PLANS. (REMEMBER THOSE "HARRY AND LOUISE" ADS FROM THE INSURANCE INDUSTRY?) ANOTHER GOVERNMENT BUREAUCRACY. WE DONT NEED BUREAUCRATS TO MANAGE HEALTH CARE... UNDER HILLARY 2-POINT-0, PEOPLE WOULD BE ALLOWED TO KEEP THEIR CURRENT INSURANCE. AND THEY'D BE PROTECTED AGAINST LOSING THEIR COVERAGE IF THEY CHANGE JOBS... OR BEING DENIED COVERAGE DUE TO A PREEXISTING CONDITION. HILLARY TODAY "THIS IS NOT GOVERNMENT RUN. HIP FRACTURES ARE A COMMON PROBLEM AMONG THE ELDERLY, AFFECTING AROUND 300,000 AMERICANS EACH YEAR. SUCH FRACTURES CAUSE PAIN AND DISABILITY, AS WELL AS A 15 TO 25 PERCENT INCREASE IN DEATH RISK. NOW A NEW STUDY FINDS THAT THE OSTEOPOROSIS DRUG RECLAST (RE-KLAST) CAN REDUCE THE CHANCE OF A SECOND FRACTURE AND EVEN DECREASE DEATH RISK IN PEOPLE WHO HAVE SUFFERED A HIP FRACTURE. DOCTORS STUDIED MORE THAN 2000 PATIENTS, MOST OF THEM WOMEN, WHO HAD SURGERY TO REPAIR A BROKEN HIP. AROUND HALF OF THE PATIENTS RECEIVED RECLAST THROUGH A ONCE- A-YEAR INTRAVENOUS INJECTION THAT LASTED 15 MINUTES. THE OTHER HALF RECEIVED A PLACEBO INJECTION. RESULTS REVEALED THAT PEOPLE WHO TOOK RECLAST HAD A 35 PERCENT LOWER RISK OF A SECOND FRACTURE AND A 28 PERCENT REDUCED RISK OF DEATH. RECLAST WORKS BY PREVENTING BREAKDOWN OF THE BONES - BONE DENSITY INCREASED FOR PATIENTS TAKING THE DRUG, WHILE IT DECREASED IN THOSE TAKING THE PLACEBO . EXPERTS SAY THAT YEARLY TREATMENT MAY BE PREFERABLE TO THE WEEKLY OR MONTHLY PILLS, WHICH ARE THE ALTERNATIVE TO RECLAST.

BRUCE CULLETON FROM THE UNIVERSITY OF CALGARY IN CANADA WAS PART OF THE RESEARCH TEAM THAT COMPARED TWENTY-FIVE PATIENTS RECEIVING CONVENTIONAL, IN-CENTER DIALYSIS, TO TWENTY-SIX PATIENTS RECEIVING AT-HOME, NIGHTTIME DIALYSIS, WHERE THE PATIENTS WERE TRAINED TO HOOK THEMSELVES UP TO BEDSIDE MACHINES. THESE PATIENTS HAD EIGHT HOURS OF DIALYSIS FIVE OR SIX NIGHTS A WEEK, AS COMPARED TO ABOUT TWELVE HOURS A WEEK IN-CENTER. THIS NEW TYPE OF DIALYSIS REDUCES THE NEGATIVE EFFECTS OF KIDNEY DISEASE ON THE HEART AND IN DOING SO, WE BELIEVE THIS REDUCES THE RISK FOR FUTURE HEART ATTACK, HEART FAILURE AND SUDDEN DEATH. THERE'S MORE GOOD NEWS. KIDNEY PATIENTS GENERALLY HAVE TO TAKE MANY MEDICATIONS TO CONTROL BLOOD PRESSURE AND OTHER BLOOD PROBLEMS. BUT THE NIGHTTIME DIALYSIS PATIENTS NO LONGER NEEDED TO TAKE SO MANY MEDICATIONS. THEY SAW OTHER BENEFITS AS WELL. KIDNEY PATIENTS ARE TOLD TO RESTRICT THEIR FLUID INTAKE ON A DAILY BASIS, AND THEY'RE ALSO TOLD TO RESTRICT THEIR FRUITS AS WELL AS THEIR ALL PROTEIN, AND WHEN YOU'RE ON NOCTURNAL DIALYSIS OR NIGHTTIME DIALYSIS, THOSE RESTRICTIONS DISAPPEAR. THE USNS COMFORT HAS THE LOOK OF A SHIP READY FOR WAR. AND IT IS READY FOR A WAR OF SORTS. A WAR TO RECLAIM SOME OF THE GOOD WILL THE U.S. MAY HAVE LOST IN THE REGION. THE COMFORT IS A FLOATING HOSPITAL. THE BUSH ADMINISTRATION HAS SENT IT ON A FOUR-MONTH TOUR, VISITING TEN COUNTRIES IN LATIN AMERICA AND THE CARIBBEAN, OFFERING FREE MEDICAL CARE TO MORE THAN 70 THOUSAND PATIENTS. THE MISSION IS DESIGNED, IN PART, TO COUNTER THE YEARS OF GOOD WILL FIDEL CASTRO HAS ESTABLISHED IN THE REGION BY SENDING THOUSANDS OF CUBAN DOCTORS TO OPEN HEALTH CARE CLINICS. HERE, ON THE COMFORT'S LATEST STOP, IN TRINIDAD & TOBAGO -- JOSEPHINE CHARLES DOES NOT HAVE POLITICS ON HER MIND. SHE JUST WANTS HER THROAT TO FEEL BETTER. CAN YOU TELL US WHY YOU'RE HERE TODAY? "I'M HERE TO SEE A DOCTOR FOR MY THROAT. THERE'S SOMETHING BLOCKING THE TROAT INSIDE SOME MORNINGS I GET UP I HAVE NO VOICE." THERE'S NO QUESTION - MANY PEOPLE WILL HAVE A POSITIVE ASSOCIATION WITH THE UNITED STATES AFTER THIS. MOST OF THE COMFORT'S WORK IS DONE IN ONSHORE CLINICS. "THAT'S THE INTAKE OVER THERE. WE TAKE THEM IN HERE, GET THEIR VITALS, MOVE THEM OVER TO THE DIAGNOSTIC AREA, AND THEN ON INTO TREATMENT" AFTER THE CROWDS OF HUNDREDS ARE SCREENED, THOSE WHO NEED SURGERY ARE TAKEN TO THE COMFORT. LIKE MANY HERE, MICHELLE SAYS TRINIDAD'S PUBLIC HEALTH SYSTEM IS GOOD, BUT THAT THE WAIT FOR TREATMENT CAN SEEM NEVER-ENDING. SOT: MOS MICHELLE "I'M HERE FOR SURGERY ON MY HERNIA, I HAVE A HERNIA. I HAVE MY HERNIA FOURTEEN YEARS NOW." OLIVE RICHARDSON, RECOVERING FROM A HYSTERECTOMY, SHE WOULD HAVE HAD TO WAIT MONTHS IF THE SHIP HADN'T COME. "I SAY THAT IS CHARITY THEY HELPING PEOPLE THAT NEED HELP." THE COMFORT HAS CAUGHT FIDEL CASTRO'S ATTENTION. IN A RECENT NEWSPAPER ESSAY, THE CUBAN LEADER SAID THE COMFORT IS OF LIMITED VALUE - THAT CUBA PROVIDES PERMANENT CLINICS WHILE THE COMFORT IS MAKING ONLY A BRIEF VISIT. PERHAPS IT'S SIGNIFICANT THOUGH THAT CASTRO FELT HE COULDN'T SIMPLY IGNORE THE COMFORT. AMANDA SLAGLE IS WITH THE NON-PROFIT PROJECT HOPE, WORKING TOGETHER WITH THE NAVY ON ITS TOUR. "I THINK IT'S PROBABLY GOOD TO SEE THE US MILITARY IN UNIFORM AND TALKING ABOUT THINGS OTHER THAN WAR." "NO MATTER HOW IMPOSING THIS SHIP MAY SEEM, IF WHAT IT REPRESENTS IS A BATTLE FOR SYMPATHIES IN THE REGION USING FREE MEDICAL CARE TO WIN OVER ALLIES, THAT'S THE KIND OF COMPETITION PEOPLE HERE DON'T MIND SEEING."

NEW RESEARCH FINDS THAT THE CERVICAL CANCER VACCINE MAY OFFER EVEN GREATER PROTECTION THAN ORIGINALLY SUGGESTED. VO: THE CERVICAL CANCER VACCINE CALLED GARDASIL DIRECTLY PROTECTS AGAINST FOUR STRAINS OF THE HUMAN PAPILLOMAVIRUS OR HPV. TWO OF THESE STRAINS ACCOUNT FOR AROUND 70 PERCENT OF CERVICAL CANCER CASES. STUDIES SHOW THAT, FOR WOMEN WHO HAVE NEVER BEEN EXPOSED TO HPV BEFORE, GARDASIL IS CLOSE TO 100 PERCENT EFFECTIVE IN PREVENTING PRE-CANCEROUS CERVICAL LESIONS DUE TO THESE TWO STRAINS. BUT WHAT ABOUT THE HPV STRAINS NOT SPECIFICALLY COVERED BY THE VACCINE? A NEW STUDY ON MORE THAN 10,000 YOUNG WOMEN FINDS THAT GARDASIL OFFERS PROTECTION AGAINST 10 ADDITIONAL HPV VIRUSES. TOGETHER, THESE VIRUSES CAUSE ABOUT 15 PERCENT OF ALL CERVICAL CANCERS. RESULTS SHOWED THAT WOMEN WHO RECEIVED THE VACCINE WERE ABOUT 40 PERCENT LESS LIKELY TO HAVE PRE-CANCEROUS LESIONS CAUSED BY THESE ADDITIONAL HPV STRAINS. EXPERTS SAY THIS MEANS GARDASIL MAY BE EVEN MORE EFFECTIVE IN REDUCING CERVICAL CANCER THAN PREVIOUSLY BELIEVED. HOWEVER, BECAUSE GARDASIL IS NOT 100 PERCENT EFFECTIVE AGAINST ALL KINDS OF HPV, WOMEN MUST CONTINUE WITH CERVICAL CANCER SCREENINGS EVEN AFTER RECEIVING THE VACCINE

IT IS ONE OF THE OLDEST OF MEDICAL PROCEDURES: DOCTORS POKING NEEDLES INTO SPECIFIC AREAS OF THE BODY TO IMPROVE BLOOD FLOW AND REDUCE PAIN. BUT EVEN TODAY, AS ACUPUNCTURE'S POPULARITY GROWS... NO ONE IS CERTAIN EXACTLY HOW IT WORKS. "IT CERTAINLY DOES SEEM TO STIMULATE ENDORPHINS, WHICH ARE THE BODY'S NATURAL PAIN KILLERS AND MOOD-ELEVATING SUBSTANCES." THIS LATEST STUDY LOOKED AT 11- HUNDRED PATIENTS BEING TREATED FOR LOWER BACK PAIN. 48% OF THOSE GETTING CHINESE ACUPUNCTURE REPORTED SIGNIFICANT PAIN REDUCTION. THAT'S ALMOST DOUBLE THE RATE REPORTED BY THOSE RECEIVING MORE TRADITIONAL PHYSICAL THERAPY & PAIN PILLS. BUT IT DIDN'T MATTER IF DOCTORS WERE EVEN DOING THE ACCUPUNCTURE CORRECTLY. AS PART OF THE STUDY, SOME PATIENTS GOT "SHAM ACUPUNCTURE"... WHERE NEEDLES ARE RANDOMLY PLACED WITHOUT ANY INTENDED BENEFIT. OF THOSE GETTING THE SHAM PROCEDURE... 44 % SAID THEY TOO FELT MUCH BETTER. TODAY'S RESULTS ARE LIKELY TO FUEL THE ARGUMENT THAT ACUPUNCTURE IS NOTHING MORE THAN A PLACEBO EFFECT... THAT OFTEN, JUST THINKING A TREATMENT WILL WORK IS ENOUGH TO MAKE IT WORK. AND SOME DOCTORS SAY... THAT'S JUST FINE. (6:26) "I FEEL IT DOESN'T MATTER WHETHER IT'S A PLACEBO EFFECT OR NOT AS LONG AS WE CAN GET OUR PATIENTS BETTER. THE END RESULT IS ALL WE'RE LOOKING FOR." IT'S ALL KAROL STONGER WAS LOOKING FOR... AS SHE RECEIVED TREATMENT THIS AFTERNOON. " I'M VERY HAPPY WITH THE ACUPUNCTURE THAT I'VE HAD SO FAR. AND I CERTAINLY THINK IT HAS IMPROVED MY BACK." BUT IT'S NOT JUST PAIN. SOME DOCTORS ARE USING ACUPUNCTURE TO IMPROVE FERTFERTILITY, TREAT INSOMNIA & ALLERGIES AND REDUCE NAUSEA DURING CHEMOTHERPY. AND BECAUSE THE PROCEDURE IS SO SAFE, AND SO BENIGN, MANY DOCTORS ARE WILLING TO ENCOURAGE IT... EVEN WHILE THE VERDICT IS STILL OUT... ON HOW IT ACTUALLY WORKS.

MORE THAN HALF OF AMERICAN TEENAGERS HOLD DOWN A REGULAR JOB, AT LEAST PART TIME. TEENS WHO WORK LIMITED HOURS ARE MORE LIKELY TO BE EMPLOYED AFTER HIGH SCHOOL, AND THEY TEND TO EARN MORE MONEY THAN PEERS WHO DID NOT GAIN ANY JOB EXPERIENCE. BUT A NEW STUDY FINDS TEENS WHO WORK LONGER HOURS MAY BE AT HIGHER RISK FOR SMOKING. RESEARCHERS FOLLOWED NEARLY 800 CHILDREN FROM THE 1ST GRADE INTO HIGH SCHOOL . THEY FOUND THAT TEENAGERS WHO WORKED MORE THAN 10 HOURS PER WEEK WERE THREE TIMES MORE LIKELY TO SMOKE THAN THEIR NON-WORKING PEERS. BUT SOME JOB EXPERIENCE MAY ACTUALLY HELP PROTECT TEENS FROM SMOKING - THOSE WHO WORKED FEWER THAN 10 HOURS PER WEEK TENDED TO SMOKE LESS. THE RESEARCHERS SAY THAT YOUNG PEOPLE MOST OFTEN WORK IN RESTAURANTS OR IN RETAIL JOBS, SO EFFORTS TO KEEP THESE BUSINESSES SMOKE FREE SHOULD HELP CURTAIL TEEN SMOKING. EXPERTS ALSO RECOMMEND THAT ADOLESCENTS WORK SHORTER HOURS WHENEVER POSSIBLE , LEAVING THE TEENS MORE TIME FOR STUDY, EXERCISE, AND FUN.

DIAGNOSED WITH TONGUE AND THROAT CANCER FOUR YEARS AGO.. THESE ARE JUST SOME OF THE MEDICAL BILLS THAT ARE STILL PILING UP.. EVEN THOUGH SHE HAS HEALTH INSURANCE. I DID HAVE INSURANCE. I THOUGHT IT WAS ENOUGH AND IT WOULD COVER ME AND THAT THE ONLY BATTLE THAT I WOULD HAVE TO FIGHT WAS THE BATTLE AGAINST CANCER AFTER GOING THROUGH 5 THOUSAND DOLLARS IN SAVINGS AND FOURTEEN THOUSAND DOLLARS IN HER 401-K, LISA WAS STILL \$65 THOUSAND DOLLARS IN DEBT BECAUSE OF WHAT HER INSURANCE DIDN'T COVER... EVENTUALLY, SHE WAS FORCED TO FILE FOR BANKRUPTCY I HAVE FOUGHT, WHAT I THOUGHT THE FIGHT OF MY LIFE FIGHTING CANCER AND I HAD TO FIGHT THESE CREDITORS AND PEOPLE HARASSING ME EVERY SINGLE DAY. ACCORDING TO RON POLLACK, EXECUTIVE DIRECTOR OF THE CONSUMER HEALTH ADVOCACY GROUP FAMILIES USA -- LISA'S STORY IS NOT UNUSUAL. HEALTH CARE COST IS THE #1 CAUSE FOR PEOPLE DECLARING BANKRUPTCY IN THE UNITED STATES TODAY. A COMMONWEALTH FUND STUDY PUBLISHED TWO YEARS AGO ESTIMATES THAT 16 MILLION ADULTS WERE UNDER-INSURED IN 2003.. THE AVERAGE COST FAMILY HEALTH COVERAGE PURCHASED THROUGH A GROUP TODAY IS MORE THAN \$12,000 A YEAR.. SO EVEN IF YOU'RE MAKING, SAY \$60,000 A YEAR.. THAT'S ONE FIFTH OF YOUR INCOME JUST DEVOTED TO YOUR PREMIUMS. LISA PAYS AS MUCH AS SHE CAN, WHENEVER SHE CAN.. AND KNOWS NOW, THAT HAVING HEALTH INSURANCE ISN'T ENOUGH IF YOU GET

SERIOUSLY ILL. I THINK MOST AMERICANS DON'T UNDERSTAND THAT WE'RE ONE CANCER DIAGNOSIS AWAY FROM COMPLETE BANKRUPTCY.

DEPRESSION SURROUNDING PREGNANCY IS A PROBLEM FOR MANY WOMEN, AND THE CONSEQUENCES CAN BE DEVASTATING. DEPRESSED MOTHERS ARE LESS ABLE TO BOND WITH THEIR BABIES AND DON'T PROVIDE AS MUCH CARE. NEW RESEARCH FINDS DEPRESSION IS EXTREMELY COMMON FOR WOMEN JUST BEFORE, DURING AND AFTER PREGNANCY. RESEARCHERS STUDIED OVER 4,000 WOMEN AND FOUND THAT ONE IN SEVEN SUFFERED FROM MAJOR DEPRESSION AROUND THE TIME OF THEIR PREGNANCY. BEFORE THIS, LITTLE WAS KNOWN ABOUT DEPRESSION IMMEDIATELY BEFORE PREGNANCY. BUT DOCTORS DISCOVERED THAT ABOUT 9% OF WOMEN SUFFER FROM DEPRESSION PRIOR TO PREGNANCY, AND THESE WOMEN ARE AT HIGHER RISK FOR RECURRING DEPRESSION LATER ON. RESEARCHERS RECOMMEND DEPRESSION BE TREATED AS A CHRONIC CONDITION, WITH CONTINUED CARE DURING PREGNANCY AND BEYOND. PSYCHOTHERAPY IS ONE EFFECTIVE TREATMENT THAT DOES NOT CARRY ANY HEALTH RISKS FOR THE UNBORN BABY. BUT FOR SEVERE DEPRESSION, EXPERTS SAY PREGNANT WOMEN MAY NEED ANTIDEPRESSANT MEDICATION TO FULLY HEAL. STUDIES SHOW INFANTS EXPOSED TO ANTIDEPRESSANTS CAN HAVE TREMORS OR MILD BREATHING PROBLEMS, BUT THESE USUALLY IMPROVE WITHIN A FEW DAYS.
